

Community Montessori School Summer Program

The growing continues all summer long at CMS!

Continue (or even begin!) your child's Montessori education this summer!

CMS is thrilled to announce this exciting opportunity!

Can my child keep progressing through the Montessori curriculum during the summer months? Yes! Children participating in the CMS Summer Program will be part of an authentic AMI Montessori classroom where the Montessori instruction you've come to expect is given each day—all summer long!

My child is new to Montessori—is he/she eligible? Absolutely! Beginning the Montessori curriculum during the summer months will help your child become “normalized” in the Montessori classroom and allow him/her to begin working through the Montessori curriculum!

Age Appropriate

The CMS Summer Program is IDEAL for the current Primary Program aged child—usually 3 yrs. To 6 yrs. Even 3rd year Primary Program students who have “graduated” from the Primary Program will benefit immensely from continued advanced work within the classroom with the Montessori materials. Students new to the Montessori setting will also find the Summer Program an ideal start to their Montessori experience. Becoming familiar with the classroom routines and expectations as well as receiving beginning lessons in the AMI Montessori curriculum. This will have them fully ready for the 2010-2011 school year!

Enrichment Opportunities help provide a “Summer Feel”

In addition to the individualized AMI Montessori instruction your child will receive the Summer Program presents a unique opportunity for your child* to participate in weekly enrichment programming including: dance/tumbling classes, art instruction, Spanish language instruction and physical education. CMS is pleased to be partnering with the following area providers to bring your child this spe-

cial enrichment: Jump Into Motion Dance Academy, Young Rembrandts Art, Ji-Eun Lee Music Academy, Senora Maria Turner (native Venezuelan), and Jump Bunch Physical Education.

*=non-napping, Full-Day, or All-Day students; instruction will be given from 1:15-2:00pm during the nap time of our younger students.

Will you be a family NEW to Community Montessori School this summer?

While attendance in the Summer Program allows for flexibility in choosing the weeks you want your student to attend throughout the summer, CMS strongly encourages that students new to Montessori instruction be enrolled in two or

more consecutive weeks of the summer program to allow the student time to acclimate and “normalize” to the AMI Montessori setting and make the most of his/her Montessori experience!
